INTRODUCTION

In the global business competition, the media business market is very competitive and challenging. Therefore, Mountain Advertising formed up by Cambodian businessman in Jan-2001 experts in the production to enter to a very competing here. Mountain Advertising has designed its objectives for long standing in the market as channel focusing to :

1. Client Services
2. Agency Services

With the clear goal and objectives, we committed to serve the best solution and finished production delivery to meet day-to-day needs. The policy sets for each category in order to the positioning market.

Our investment included:

- Workshop, we have own locations for our multi-productions.
- High-tech printing machine is equipped in Cambodia now. Our printing capacity with varies materials and the sizes.
- Our main cores businesses, we have expertise in the INKJET, OFFSET Printing and SILK SCREEN... etc.
- Four Heavy production workshops to the production materials especially for indoor and outdoor advertising and point of sale materials...etc.

Acrylic Board

The image shows an acrylic board with a gold border, used for displaying exchange rates. It features a logo in the top left corner and the title 'អត្រាប្តូររូបិយ' (Exchange Rate) in Khmer and 'Exchange Rate' in English. The board is divided into three columns: 'ប្រភេទរូបិយប័ណ្ណ' (Type of Currency), 'ទិញ' (Bid), and 'លក់' (Ask). The rows list four currencies: USD, THB, EUR, and AUD.

ប្រភេទរូបិយប័ណ្ណ Type of Currency	ទិញ Bid	លក់ Ask
ប្រាក់ដុល្លារអាមេរិក USD		
ប្រាក់ថាត THB		
ប្រាក់អឺរូ EUR		
ប្រាក់ដុល្លារអូស្ត្រាលី AUD
